We are committed to ethical trade, full traceability, and consistent quality, delivering value through innovation, transparency, and community engagement.

and local economies.

Our Vision

To become a leading and trusted exporter of Tanzanian coffee and agricultural products globally, serving as a catalyst for socio-economic transformation by empowering smallholder farmers, women traders, and local communities through sustainable and inclusive business practices.

Our Values

Our values are the heart of Mbuji South Coffee. They guide how we grow, trade, and connect — shaping every partnership from the farm to the final cup.

Empowerment

We create opportunities for women and smallholder farmers to lead, earn fairly, and thrive.

Traceability

We ensure full transparency from origin to export.

Sustainability

We protect the land and invest in practices that sustain both people and the planet.

Quality

Excellence is non-negotiable. From crop to cup, we maintain the highest standards.

Transparency

We trade with honesty, openness, and respect — building trust at every stage.

Community

We grow together. Our work strengthens families, cooperatives,

high-quality cashew nuts, vanilla beans, and spices.

Headquartered in Dar es Salaam and sourcing from the fertile highlands of Mbinga, Kagera, and Kilimanjaro, Mbuiji South Coffee bridges the gap between smallholder farmers— especially women—and global specialty markets. Every partnership is built on ethical sourcing, full traceability, and a shared commitment to
